¹ See the Summary Plan Description under section "Base Plan Eligibility" for the definition of a Benefit-Based Employee.

² Eligible compensation generally is the Employee's taxable income including lump sum payments, but excludes certain forms of pay including bonuses, foreign allowances, relocation, taxable reimbursements, imputed income, and gross-ups.

³ Vesting service is calculated using the Employee's original Institute hire date. Regardless of vesting service, an Employee is automatically 100% vested at age 65 or if death occurs while actively employed.

⁴ Faculty includes all tenured and tenure track faculty.

⁵ All eligible faculty and staff whose annual base salary is above the Minimum Compensation Threshold (MCL). The MCL for 2024 is \$140,500 (for JPL the hourly rate is \$67.55).

⁶ Fellowship stipends distributed by Caltech are not considered "salary" eligible for Institute contributions.
