What is an ERG?

Employee Resource Groups (ERGs) are voluntary, employee-led groups that foster a diverse, inclusive workplace that reflect the core mission and values of Caltech.

All employees at Caltech are eligible to propose the creation of an ERG or be a member of an existing Caltech-recognized ERG. The Equity and Title IX Office, in partnership with Human Resources and the Center for Inclusion and Diversity, provide oversight and guidance to Caltech ERGs.
