(e.g. cancer, leukemia, HIV, active shingles, oral steroids, anticancer or antiviral drugs)		

Informed Consent: Please read and sign. By my signature below, I consent to the administration of the vaccine(s) by a pharmacist or a supervised student pharmacist or technician, or other authorized person, where permitted by law or state/federal guidance, employed or contracted by Albertsons Companies or one of its affiliated pharmacies and to be contacted at the number provided above regarding other immunizations for which I am due or eligible to receive. The above information is true and correct. I attest I meet eligibility criteria for the vaccination (if any); if I am the parent/guardian of the minor patient, I attest the minor patient meets eligibility criteria for the vaccination. I also release Albertsons Companies and its subsidiaries, affiliates, officers, directors, employees, and agents from all liability, including acts of omission or commission, resulting, or arising from my receipt or the minor's receipt of this vaccination. I understand: 1) I have voluntarily chosen to receive the vaccination. If I am receiving a flu vaccination and it is prior to September 1st, I am either a parent signing on behalf of my child receiving the vaccine, pregnant in my third trimester, or I am unable to return at a later date. 2) I authorize Albertsons Companies to submit a claim for reimbursement on my behalf to Medicare or any other contracted third-party payor, including my employer if they are paying directly for my vaccination; if the claim is denied, I understand I will be responsible for payment; 3) I am of legal age and authorized to execute this consent form or I am the parent/guardian of the minor patient. 4) I will immediately alert the pharmacist of any medical conditions which may adversely affect my personal health or effectiveness of the vaccine. 5) I have been counseled about potential side effects after vaccination, when they may occur, and when and where I should seek treatment. I am responsible for following up with my physician at my expense if I experience any side effects. 6) I should remain in the area for observation for 15 minutes unless I have a history of an immediate allergic reaction of any severity to a vaccine or injectable therapy or if I have a history of anaphylaxis due to any cause, I should remain in the area for observation for 30 minutes after the vaccination. If I leave the area without waiting, I acknowledge that I am doing so at my own risk and against the advice of the professional who administered the vaccine. 7) I have read, or have had read to me, the Vaccine Information Statement(s) ("VIS") or Emergency Use Authorization ("EUA") provided for the vaccine(s) to be administered. I have had the opportunity to ask questions, and all my questions have been answered to my satisfaction. I understand the benefits and risks of the vaccine(s). 8) I have been offered and/or provided a copy of the company's Notice of Privacy Practices in compliance with the Health Insurance Portability and Accountability Act (HIPAA). 9) This vaccination, including any vaccination granted additional privacy protections under state or federal law, is subject to reporting by my pharmacy or its business associate to an immunization registry, which may share my immunization data with others, and to my primary care physician, the authorizing physician, or the local Department of Health, if applicable, and I authorize these disclosures. (*New Jersey Only: I authorize ___ do not authorize ___ reporting of my receipt of this vaccination to my primary care provider I understand that failure to check authorize/do not authorize will serve as authorization.*) *(South Dakota, Maine, Massachusetts, and New Hampshire only: I understand I have the right to object to the sharing of my data to the above-mentioned parties through such registries.). For minor's parent or guardian, below consent confirms receipt of written notice to visit a pediatrician annually.*
